OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 16 February 1977

25X1

1. [REDACTED] - RLB) LIAISON Called Ronald Kienlen, in the General Counsel's office at OMB, to inquire as to the status of the draft Executive order entitled, "Standards of Ethical Conduct for Government Officers and Employees." Mr. Kienlen said his office had been given the draft order last Friday with no warning and had farmed it out to Government agencies for comments right away. He noted that the process of pulling together all the comments and finalizing the order might be a slow and cumbersome procedure. I informed him we were drawing up a comments letter and anticipated having it to him tomorrow.

2. [REDACTED] - JEC) LEGISLATION Along with Tony Lapham, General Counsel, and [REDACTED] OGC, I met with representatives of the Departments of Justice, State, Defense; NSA; and the IC Staff to discuss forthcoming electronic surveillance legislation. (See Memorandum for the Record.)

25X1

3. [REDACTED] - YTF) LEGISLATION Called the House Post Office and Civil Service Committee to find out the status of the President's recommendation for a pay raise for Federal officials. I was told that the two resolutions disapproving the pay raise would not be released by the Committee, virtually assuring the pay raise will become effective on 20 February.

25X1

4. [REDACTED] - BAA) LIAISON Michele Anselmo, in the office of Senator Wendel R. Anderson (D., Minn.), called and requested some brochures on the Agency for a constituent of theirs. I said I would put them in the mail for her.

25X1

5. [REDACTED] - PLC) BRIEFING Received a call from Bill Hogan, Counsel, House Armed Services Committee, concerning the breakfast briefing set for this Friday morning, 18 February. Hogan requested that another breakfast briefing be scheduled for the following Friday, 25 February, since not all of the Members, including the Chairman, will be able to attend. The scheduling of another breakfast was cleared with Mr. Knoche's, ADCI, office, and I called Hogan back to confirm arrangements.

Mr. Daly asked that I check as to whether this information had been provided to the Senate Select Committee on Intelligence since the Committee had made a request covering this information from the FBI a while back. After checking with [REDACTED] I called Daly back and informed him that the information had been provided to the Committee.

I told Sheridan that the memorandum was now under review for release together with other related Agency documents and he should be hearing from us shortly. [REDACTED] was advised and indicated that the review is near completion.

9. [REDACTED] - PLC) LIAISON Called Rita, secretary to Bill Hogan, Counsel, House Armed Services Committee, and requested that a letter be prepared from Chairman Melvin Price (D., Ill.) requesting that the Agency destroy three boxes of Committee material, consisting of reporters' notes of the Watergate investigation. 25X1

12. [REDACTED] DFM) LIAISON Spoke with Anne Karalekas, Senate Select Committee on Intelligence staff, several times regarding Admiral Stansfield Turner's confirmation hearings. Ms. Karalekas informed me that the financial statement had been received from Admiral Turner; that his entire hearings are not expected to go beyond 22 February; and that John Marks, from the Center for National Security Studies, Susan Kokinda, from the U.S. Labor Party, and an unidentified spokesman from Common Cause, had requested to testify regarding the nomination.

25X1

13. [REDACTED] DFM) LIAISON Received a call from Marty Gold, Senate Select Committee on Intelligence staff, regarding the Committee's inquiry into the intelligence stake in [REDACTED]. We reviewed again the Committee briefing on 11 February 1977 from C/LA Division and I agreed to bring the Station's operating directive, some material provided by DDI, and information on other Directorates' involvement in [REDACTED] for him to review on 17 February.

14. [REDACTED] DFM) LIAISON Danny Childs, Senate Select Committee on Intelligence staff, called to request a briefing for himself and Bill Miller, Staff Director, Senate Select Committee on Intelligence, on the Reserve Release of which the Committee was notified by letter of 1 February 1977.

15. [REDACTED] DFM) LIAISON Mike Epstein, Senate Select Committee on Intelligence staff, called to ask if the Agency had prepared the official DCI Nominating Statement signed by President Carter. Apparently some peculiar language was used in it and Epstein wanted to know if it had any particular significance. I told Epstein I was certain it was prepared by the White House and he agreed to direct his inquiry there.

25X1

17. [REDACTED] - DFM) LIAISON Called Spencer Davis, Senate Select Committee on Intelligence Press Spokesman, to ask him about a statement in an 11 February 1977 Newsday article regarding the possibility of the Senate Select Committee on Intelligence holding hearings into the outbreak of the swine virus in Cuba in 1971. The article cited an unnamed Committee source. Davis said he was not the source and that he had heard no discussion of the possibility of hearings on the subject.

25X1

18. [REDACTED] DFM) LEGISLATION I called Stan Taylor, Senate Select Committee on Intelligence staff, to tell him that the Securities and Exchange Commission was drafting an amendment to proposed regulations on corporate reporting procedures and that we want to delay providing him suggested amendments to S. 305, a bill which would accomplish the same purpose as the regulations, until we receive the SEC amendment. I told him I thought we would have the amendment next week and would be in touch then. This arrangement was satisfactory to Taylor.

4. [REDACTED] - CM) BRIEFING Barbara Allen, staff of the Senate Foreign Relations Committee, asked if the transcript from our briefing in the 9 February 1977 executive session hearing of the Subcommittee on African Affairs was ready for Senatorial review. I said that it was. She then said Senator Charles H. Percy (R., Ill.) had asked if he might have a staffer read the report with him. I noted our reluctance to extend the opportunity to personal staffers; she said Senator Percy's first choice was Charles Meissner, staffer of the Committee itself, who claims clearances through Top Secret, SI, Q, and TK. Our records reflect that he is at least cleared through Top Secret (the classification of the briefing), and [REDACTED] Acting Legislative Counsel, approved Meissner's perusal of the transcript. I so advised Ms. Allen.

He said he had a figure for the Soviet Union (20.4 per cent) and a figure for the United States and wanted to know if they were strictly comparable. I offered to have someone to call him if it could be handled on an unclassified basis. [REDACTED] Center for Policy Support, subsequently arranged for [REDACTED] of OER, to call Schallert.

15. [REDACTED] DFM) LIAISON Met with Bill Miller, Staff Director, Senate Select Committee on Intelligence, on several matters. I told Miller that the Agency would prefer to postpone his requested briefing on a recent Reserve Release. Miller already understood the reasons and agreed to the postponement. He did, however, seek my assurance that the postponement was no reflection on the Committee, and I assured him it was not. Miller agreed to speak to the Mid-Career course on 25 February at 10:00 A.M. I informed Miller that Mr. Knoche, A/DCI, would not be able to conduct the 23 February NFIP briefing of the Committee because of a White House meeting but that [REDACTED] D/DCI/IC, would be the Community spokesman. Miller agreed to this arrangement. I delivered to Miller, a blind memorandum on the [REDACTED] published by Forum World Features, a letter to the Committee from Robert Gambino, Director of Security, on [REDACTED] who will be working on Senate Select Committee on Intelligence business for the Government Printing Office, Records Control Schedule 31 - 76 and the letter to Chairman Daniel K. I have been in touch with [REDACTED] SA-D/DCI/IC and [REDACTED] IC Staff, in an effort to locate any document which authorizes the current classification standard, recalling that former Director Helms and Jack Maury, former Legislative Counsel, had probably discussed this matter before USIB in the 1960's.
